The Sachem North Envirothon team placed first in Suffolk County earlier this week.

The 14th Annual "Long Island Regional Envirothon Competition" was held on Wednesday at the Usdan Center for the Creative and Performing Arts in Wheatley Heights.

"The students worked incredibly hard to achieve this distinction and we couldn't be more proud," Sachem North Science Chair JoAnne Holl said. "They not only placed first but also won the challenging oral presentation component. In doing so they received the honor of presenting on stage at the award ceremony to all present."

The team won a printer/scanner/fax for school, digital cameras for all team members, and a \$500 scholarship. They will be representing Suffolk County at the NYS Envirothon May 23 and 24.

It's actually spelled "Ally." :)

And it should also be noted that Sachem North Team #2 placed SECOND in Oral Presentation (right behind Team #1) and 8th overall for Suffolk County! Both teams did a wonderful job!
